# Introduction

# Welcome Work

Who are we?

## European Funded

Welcome Works is a European Funded Project that aims to face the ongoing refugee crisis through integration into the workforce.

## Inclusive Work

This project has a vision of creating inclusive and supportive work environments within the construction sector for those who have been displaced.

## Bridging Gaps

Welcome Works hopes to bridge the gap between significant construction labor shortage and refugees seeking employment.

## Resource & Training

Welcome Works will be designed to provide tailored resources and training that help refugees find their footing in a new country, especially in employment.

02

## Our Partners

# Partners Involved

*In the Welcome Works Project*

*Ireland*

*Spain*

*Denmark*

*Ireland*

*France*

*Poland*

03

# Objectives

# Project Objectives

## Project Management

Effective project management is crucial for the successful execution of initiatives like the Starter Kit, helping VET directors and educators support refugees in thriving within the construction industry.

01

## Starter Kit

The Starter Kit equips VET directors, trainers, educators, and support staff with vital knowledge and skills to assist refugees in securing construction jobs,

02

## Best Practice Compendium

The Good Practice Compendium guides construction employers in fostering welcoming environments for refugees.

03

## Mobile Training Programme

The Mobile Training Programme offers essential training for integration into the construction sector.

In Person  
Meeting Poland,  
July 2024

**IN PERSON  
MEETING  
SZCZECIN,  
POLAND  
10TH-11TH JULY  
2024**

Our partners convened in Poland to collaborate on the planning and creation of various outputs. This meeting served as a crucial opportunity for all parties to share their insights, align their goals, and establish a clear roadmap for the project.

During the discussions, partners exchanged ideas and expertise, identifying each member's strengths and how they could best contribute to the overall objectives. They worked together to outline the key deliverables, timelines, and responsibilities, ensuring that everyone was on the same page moving forward.

Additionally, the collaborative environment fostered creativity, allowing partners to brainstorm innovative solutions and approaches to challenges they might face. By the end of the meeting, they had not only solidified their plans but also strengthened their relationships, setting the stage for a successful partnership in the future.
